

KIVA Systems

Facility Planning Specialist

Want to be part of a company that is using a disruptive and game-changing technology to design the fulfillment centers of the future for leading retail, distribution, and manufacturing companies? Want to be on the leading edge of a \$20 billion market?

Kiva Systems, Inc. is a rapidly growing Boston-based robotics company that is revolutionizing supply chain operations. Our customers are large retailers, catalog operators, e-commerce and other companies that ship products to consumers, businesses and retail stores. Please see www.kivasystems.com for more information about us.

Kiva is seeking a talented and motivated individual to contribute to the Customer Solutions team as a Facility Planning Specialist. The Facility Planning Specialist specializes in conceptualizing, designing, and rendering the physical layout of complete Kiva systems.

This position will report to the Facility Planning Manager and his/her responsibilities will include:

- Producing detailed conceptual drawings in AutoCAD of the Kiva solution in customer facilities during the pre-contract (sales/design) phase
- Producing detailed installation drawings in AutoCAD during the post-contract (deployment) phase
- Creating Kiva drive movement floor plans (maps) using proprietary tools
- Creating visualizations of non-standard 3D concepts during the sales process.

The ideal candidate will have the following qualifications:

- Multiple years of experience with AutoCAD (2D)
- A background in industrial facilities layout and particularly material handling systems
- Versatility to execute other assignments from time to time
- Dedication and energy to thrive in a fast-paced environment
- A can-do, team-oriented approach to the workplace
- Four-year college degree, a plus
- 3D drawing experience, a plus

Send qualified resumes to jobs@kivasystems.com with your name and the position title on the subject line. No recruiters, please.
